During the winter you will never be bored with 4200 skiable acres, Lake Louise is one of the largest ski areas in North America. The unique layout allows families and groups of varying abilities to ski together; there are beginner, intermediate and expert runs down from every chair. Beginners and intermediate skiers have access to an abundance of gentle slopes and long cruising runs. Experts can explore endless chutes, glades, gullies and remote bowls in some of the Rockies' most challenging terrain.
